ICE-O-MATIC MACHINES - BUILD AMERICA, BUY AMERICA COMPLIANT

What is Build America, Buy America (BABA)?

If your project receives any federal funding - even a penny - your equipment must adhere to Build America, Buy America requirements. That means every ice machine, bin, and dispenser you specify must meet strict US-made standards.

Ice-O-Matic is leading the way with one of the industry's fastest expanding product portfolios that conform to Build America, Buy America standards. From design to final assembly, our US built machines make it simple to protect funding while delivering the same reliability and performance you trust.

AND OUR LINEUP OF BABA MACHINES KEEPS GROWING.
